Report:

1. Remarks/approval report TPM 9

There are no remarks on the report of the ninth transnational meeting online.

2. Remarks report training activity and multiplier event 6 in Ghent – Belgium

There are no remarks on the report of the training activity and multiplier event in Ghent.

3. Training activity and multiplier event in Tartu - Estland – experts

- The training activity in Estonia will take place from 2 until 6 June 2025 in Tartu.
- Elen demonstrates the draft programme and practical information.
- As Iceland is interested in joining SICl, they are invited to join the training activity and multiplier event in Tartu as expert.

4. State of affairs of the working groups:

- *Website - text for translations*
 - The link to the test version of the website is <https://www.sitemn.gr/stessie/>.
 - The English version of the website can be published initially; translations may be added at a later stage.
 - Please note that some content is still under development.
 - Erik has compiled all texts into a Word document, which he will first share with the Maltese colleagues for a language check. Once reviewed, the document will be made available to the other partners for translation of the website content.
- *Application - technical aspects*
 - Dominique provides an update on the application.
 - The application is now linked to the website and the overall design has been significantly improved.
 - Dominique will grant access to the application for all partners.
- *Testimonies*
 - Arnaud presents the technical guidelines for recording the interviews.
 - Estonia, Serbia, Bulgaria and Flanders need to submit the videos to Dominique by early June.
- *Handles for interpretation of data + take action*
 - Dominique proposes to organize a focused two-hour working group session in Estonia to develop the manual.
